CACTUS AND SUCCULENT PLANTS

Our collection of these interesting plants is considered quite good. We have all the common varieties and more than a few really choice. Unfortunately we have not yet made up a list. Every time we are about to commit one, we find the eternal controversy has again disrupted most of the established names, and nothing seems fixed. Only the plants remain the same. And they're good. We are constantly adding new ones. They might be worth your inspection.

ESTHER FRASER CLARK.

TERMS OF SALE

PAYMENTS: Cash with all mail orders.

PRICES in this list cancel all previous ones and are f.o.b. Pasadena, California. Carrier charges to be paid by buyer.

DELIVERIES begin about April 15th. Customers living nearby are notified and requested to call for their plants at our nursery at 1250 South Fair Oaks Avenue, Pasadena, when their order is ready. Small mail orders may be sent by Insured Parcels Post and 25 cents per dozen should be enclosed for postage. Larger orders go by express collect for the carrier charges. We deliver only first-class plants out of 2¼ in. pots to the carrier, after which they travel on the carrier's responsibility. Any claims for plants damaged in transit should be taken up by the buyer with the transportation agency at destination.

NO GUARANTEE. Every possible precaution has been taken to keep our stock true to name. However, we do not guarantee the variety or the crop and cannot be held responsible for either.

No Complaints Will Be Considered After Plants Have Been Held Ten Days
